Dear Harrison Luis,

On behalf of the staff, children and families of Chai Lifeline Canada, we would like to thank you for the generous rental rates you gave us for our 2012 Go All In fundraiser. Your patience with us throughout all our many changes of the order was incredible and the evening was a visionary success!

While we can never understand why children are affected by serious illness, we can help make sure that they and their families have the services they need to cope with the diagnosis, treatment, and repercussions of pediatric illness. Programs like professional case management, tutoring for homebound children, Big Brothers and Big Sisters, emotional support, family retreats, holiday gatherings, family days, sibling programs, and Camp Simcha and Camp Simcha Special, two extraordinary summer camping programs that restore hope and happiness to children's lives, show our families that they don't have to face a child's illness alone.

With your commitment to Chai Lifeline at our annual Go All In fundraiser, you have become part of our extended family, dedicated to assisting families through both the crises and the everyday trials of serious pediatric illness. Your support encourages us to continue our mission to deliver these services to sick children.

In this merit, may you be blessed with prosperity and good health for many years to come.

Sincerely,

Rabbi Mordechai Rothman
