Dear Harrison,

Thank you for making Uplifting Spirits 2016 a success! Your sponsorship for our annual fundraising event on June 3, 2016, helps to provide Tropicana Community Services with the resources to continue making positive impacts in the lives of our clients. The strength of any community organization comes from the support and partnerships it is able to create. Your sponsorship of Uplifting Spirits has strengthened our ability to continue the important work we do.

The children, youth, newcomers, and seniors who frequent one of our four locations; and engage in our various programs, will have their lives bettered as a result of your generous support.

Some of our life skills development programs that will be impacted by your sponsorship include *ManUp* – a mentorship and education program which addresses the unique needs of males 13-19 who face challenges and pressures to engage in anti-social and criminal behaviour, *Defy Your Label* – a life skills program that supports the growth of girls by inspiring and encouraging them to defy the negative labels, stereotypes, societal pressures and expectations placed on them, and *YouthSTART* – a life-skills training program for children displaying anti-social behaviour.

We are fortunate to have Gervais Party & Tent Rentals as a sponsor. It is with your support and the support of corporations like yours that Tropicana is able to ensure that our service users have the encouragement, and caring and experienced staff to help them realize their goals.

Enclosed you will find a survey, please take a few minutes to complete and return. If you prefer to complete the survey online, feel free to contact me at 416-439-9009 or [hdouglas@tropicanacommunity.org](mailto:hdouglas@tropicanacommunity.org).

Thank you for investing in our organization and the clients we serve, you have provided them with the opportunity to work towards their success.

Sincerely,

Heather Douglas  
Manager, Community Relations and Resource Development
