Dear George,

On behalf of Hearth Place, I would like to extend my sincere thanks for supporting the Clothing Sale to support Hearth Place this year. We are so very grateful for the \$4,000 that your event raised to support the programs and services at Hearth Place! These funds have been put to work already to help families in and around Durham who are dealing with a diagnosis of cancer.

For the past 20 years, in the comfort of a home like atmosphere, Hearth Place Cancer Support Centre has been committed to providing community support for patients and their families dealing with cancer through peer support, information, a resource centre, wellness programs and an ongoing lecture and discussion series. Caregiver and bereavement support, and programs for children, and teens are available as we recognize the impact cancer has on the whole family. We also feel very privileged to be able to provide emotional, practical and social support for families who have a child diagnosed with cancer and their siblings through monthly family support groups, sibling support, fun days and in-home therapeutic programs for children with cancer.

Hearth Place receives no government funding and relies on private and in memoriam donations and community and corporate support of our fundraising events to sustain our operations. We thank you from the bottom of our hearts for your support.

Yours truly,
