Dear Mr. Ogston:

*George,*

Having just celebrated Thanksgiving, I thought this would be an apt opportunity to again write to you and **thank you** for all your support of the Ajax Pickering Hospital.

I also wanted to personally invite you to call me any time if you would like a tour of our hospital, and to see your name now proudly displayed on our donor wall in the Friends Circle.

Every day, people rely on our doctors & nurses to look after them whether it be for a complicated surgery or the magic of childbirth, and everything in-between.

Your generosity is ensuring that we can put the best piece of equipment & technology into the hands of our medical teams so that they can provide the best care to their patients.

Thank you once again for your thoughtful contributions; you are making a big difference in our community's health care.

Yours truly,

Tracy L. Paterson, CFRE  
CEO
